

Dear Dance Parents:

The following is an order form for dance clothes that your dancer may want or need. There is no class uniform but there is a dress code. All dancers must wear a leotard under or over dance pants, tights, bike pants or leggings. Jazz shoes, ballet shoes, paws or bare feet are the only options for footwear. No street shoes or street clothes are allowed.

Students are not required to purchase their clothes through me, I am just offering since buying in bulk is always cheaper. Also, all levels frequently use some or all of these items as a base costume for the performances. The color and style are NOT required for class but they may be required later for the performance. The dance T-Shirts are often worn in class over leotards and will be worn the week of performances to advertise the show.

I also recommend that if your dancer is planning on leaving his/her clothes in the dressing room that he/she store them in a dance or athletic bag that zips closed. It is also very important to tag all clothing and shoes so they can easily be identified once they have been misplaced.

If you would like to order clothes through me, please fill out the order form, check the items you want me to order, select or write in your size, total the items and submit this form with a check made out to **SMHS DANCE by FRIDAY, Aug. 27. 2010**

DANCE WEAR ORDER FORM:

NAME: _____ DANCE CLASS PERIOD: _____
